## EDUCATION

### B.E. Computer Engineering

SKN Sinhgad Institute of Technology and Science  
Lonavala, Pune

2020 - 2024

CGPA - 8.72/10

### HSC

Badrinarayan Barwale Mahavidhyalaya Jalna

2019 - 2020

Percentage - 72.31/100

### SSC

Swami Vivekanand Vidhyalaya Mantha

2017 - 2018

Percentage - 80.80/100

## PERSONAL PROJECTS

### PicPilot (2022)

- Develop a React website for photo editing, featuring filters, rotation, and adjustments for brightness, contrast, and saturation. Users can upload photos, apply editing features, and save their edited images.
- <https://github.com/AbhishekChavan3030/PicPilot>

### Hospital Management System (2023)

- Developed Hospital Management System with PHP backend, enabling seamless doctor and patient interactions. Implemented secure login/signup processes for doctors and patients, allowing doctors to efficiently manage appointments and patients to easily book and cancel appointments.
- <https://github.com/AbhishekChavan3030/HMS>

## WORK EXPERIENCE

### Web Developer

Oasis Infobyte

03/2023 - 04/2023

Virtual

Built a responsive web page, created a Personal Portfolio, and developed a Temperature Converter. Furthermore, learned how to complete projects on time.

#### Tasks

- Task 1 - Responsive Web Page
- Task 2 - Personal Portfolio
- Task 3 - Temperature Converter

Contact : <https://oasisinfobyte.com/#contact>

### Web Developer

Intern Crowd

03/2023 - 04/2023

Virtual

Built a landing pages using simple HTML and CSS. Additionally, I developed a quiz game using HTML, CSS, and JavaScript, allowing users to select options and displaying the answers to questions attempted at the end of the submission.

#### Tasks

- Task 1 - Landing Page
- Task 2 - Quiz Game

## SKILLS

HTML

CSS

JavaScript

ReactJS

PHP

MySQL

Java

Bootstrap

Git

Github

Adopbe Photoshop

MongoDB

## CERTIFICATES

### Core Java ( Mentorbuddy ) (09/2021 - 12/2021)

As a certified Java developer, I have successfully completed the Core Java certification program, demonstrating proficiency in fundamental Java programming concepts and techniques. This certification validates my comprehensive understanding of Java language fundamentals, object-oriented programming principles, and essential Java libraries.

### DSA ( Udemy ) (01/2023 - 03/2023)

Certified in Data Structures and Algorithms (DSA) using Java, I possess expertise in implementing and optimizing fundamental data structures and algorithms. Good in Java, I excel in solving complex computational problems, analyzing time and space complexities, and applying DSA concepts to real-world scenarios.
